Director's Message

“ Education is the single most important thing that has the potential to transform lives. It not only lays the foundation of a successful career but as Dr. Kalam rightly said, “Education enhances the dignity and self-respect of an individual”.

Fellowship Mission School has always been at the forefront in providing our students with a great learning environment where they can grow and contribute to society in a positive way.

I am extremely proud of the rich tradition of providing practical, experience-based education that our school has upheld since its inception which prepares our students to become leaders with the moral depth and intellectual intensity necessary to meet the challenges of a time of critical transition in society.

I am proud to witness the growth and development of the institution and am continuously striding forward to reap the rich rewards of success and knowledge.

Wishing you all the best for the upcoming academic session and I am confident you will make the most of this unique opportunity provided to you.

It is my pleasure to welcome you to Fellowship Mission School . ”

Dr Sam John
Director,
Fellowship Mission School

From the **Principal's** Desk

“ A Warm Welcome!!

It is our privilege to welcome you to our school community as we embark on an extraordinary journey to nurture and educate your child. This partnership promises to yield not only academic excellence but also character development, discipline, and spiritual growth. At FMS we are guided by our motto: "Study To Show Thyself Approved" Our ethos is built on a commitment to unlocking the potential of every child, fostering personal excellence, and cultivating a caring environment. We believe that education has the transformative power to empower students to think critically, act compassionately, and lead with integrity. Our dedicated staff strives to instill values such as love, respect, and service, essential for success in today's world. Together, let us join hands to provide every child with a holistic education that prepares them for a bright future. We look forward to a fruitful partnership by witnessing the growth and success of every child. ”

Sincerely,

Ms. Nikita David
Principal
Fellowship Mission School

Vision

Championing academic excellence by fostering holistic development and building a culture of innovation and community learning, where every student thrives academically, socially and emotionally.

Mission

- Empowering creative and critical thinking to ensure a calm, energising and intellectually stimulating environment.
- Emphasising curricular excellence and holistic development for self-learning, analytical thinking and practising social skills.
- Ensuring a healthy environment to ignite conscience and propensity in the students for social engagement, conservation of nature and giving back to the community.

About the School

Built on an 8 acre plot of land, the school has a unique architectural design with a lush green playground. It is a wonderful edifice resting on the foundations of service and good will, binding science and spirituality into a synthetic structure, emphasizing on the intellectual moral, spiritual, aesthetic, emotional, physical and social development of its students.

With its motto '**study to show thyself approved**', the school strives towards achieving high excellence in academic and co-curricular spheres of education, grooming young minds to discover their potential and contribute to the society as responsible citizen. It also strives to develop a sense of well-being, dedication and service by transmitting and preserving cultural heritage.

Over the years the school has dedicated to provide a challenging environment to its students which has always been child centered, well balanced, blended with creativity and joyful learning where they can learn to dream and grow.

From seed to sapling and to a blooming tree, now the fruit of hard work can be clearly seen which has been spearheaded by the Management and Staff with the cooperation of the parents. It has steered up through all the brewing challenges, victories and changing with the times to offer quality education and help every student to bloom with character, vision, and resourcefulness. Today, the school stands as a testimony of its dedicated service and is continuously forging ahead with determination to be reckoned within the field of education.
