Chairman's Message

Dear Parents and students,

I am greatly pleased to welcome you to 'My Little Hands Pre-School'. I am sure that you will reap such rewards of success and knowledge which this school strives to follow - in the paths of Godly Power, and we labour to achieve this goal. This, doubled with what the Bible talks about wisdom, "The fear of the Lord is the beginning of wisdom", will bring the best of persons out of each student of this school. Our nation will be blessed with the presence of such personalities. With the best of facilities and staff at our disposal we pray that you would be the 'gem', who would go on to become the difference and would contribute in taking our nation to those heights that the founding fathers of our nation dreamt of!

I take this opportunity to assure you that the entire staff of 'my little hands' pre school will put in a wholehearted effort to ensure the encouragement of new talents, initiate discussions and foster a healthy and expressive environment.

Best wishes and many blessings.

Dr. K. C. John
(Founder & Chairman)
My Little Hands Pre-School.

VISION OF "MY LITTLE HANDS"

We, at "My Little Hands, look at children as individuals and not as a class. We groom and nourish your child independently, for all require distinct attention. Our school takes pride in a holistic approach, focussing on the overall development of the child, by giving him/her an environment that nurtures and instils strong values of dignity, decency and respect for human life. To nurture the mind and soul of the child we look beyond the set parameters of bookish education. Early childhood years is a period of rapid physical and mental growth. It is widely said that what the child experiences at this age will color his whole approach to learning throughout the life. Thus, we follow a development-oriented and child-centred way of teaching which emphasizes on the child's active interaction with the environment and concepts present. Reading, writing, interaction and figures and facts follow in the natural rhythm of things. Life has to be directly experienced, enjoyed, loved and discovered and we assure all parents that your child will be personally taken care of. The students of pre-primary classes are educated in an informal way through play- way method, with the help of modern aids to develop their talents and skills to help them bloom into self reliant individuals. Our aim is not just to create another face in the crowd but to nurture each student into developing a unique personality. We will encourage and stimulate your child and create a caring environment in which child can maximize his/her personal and professional development.

At, "My Little Hands", we strongly believe that education is a partnership between home and school. You know your child very well and would have provided many opportunities and experiences as a foundation to their learning process. At the school we want to work with you to continue that learning journey ensuring that learning becomes a lifelong activity. Learning is most successful when home and school work together in partnership. And we look forward to working with you to ensure that your child has a successful and enjoyable start to their education.

If you are considering "My Little Hands" school for your child, then please do contact the school office to make an appointment to view the school and we will be happy to show you around.

With regards

Nikita David
(Principal)

About the School

*Welcome to
My Little Hands Pre-School*

The early years of childhood between the ages of 2 to 6 years are considered as the foundational years to mould and direct a child's progress. "My Little Hands School" provides a secure, stimulating and supportive environment for children where learning takes place and creative expression is encouraged.

The school is designed keeping in mind the needs of a growing child with a lot of open space, spacious and well ventilated classrooms and a safe and secure environment.

With its motto "Grow in the Light" our vision and mission is to prepare dynamic and caring citizens of tomorrow to meet the challenges of a global society while retaining our traditional values, and to encourage the children to become creative, independent, responsible and mature human beings.

*Philosophy of education at
My Little Hands Pre-School*

The school is dedicated to provide a challenging environment which is child centered, well balanced and aims to develop the whole child. Our school is a centre of enquiry, creativity and joyful learning with students coming together to learn, to dream and to grow.

In the class room, the teacher functions more in a guiding and supportive role than in the role of dissemination of information. Students learn interpersonal skills and importance of the community. They are valued and accepted and in return learn the value and respect others.

Positive feedback and encouragement are essential components of our school assessment. A theme based curriculum, integrating concepts, skills and talents enable students to pursue in depth, a meaningful learning.

Guidelines To Parents

- The school at all times desires to have your cooperation and close contact with the teacher of your ward in order to create an atmosphere that shall be conducive for the better education of our students. The school diary fulfills this need.
- Your wards should report to school in time, bring all the necessary books according to the timetable and be neatly dressed in full uniform.
- Your prompt attention to the teachers note is very essential for a joint effort to look after the education of your ward. Read the remarks in the diary and duly respond. In case you wish to see the teacher in connection with the progress of your ward, you are requested to contact the school office and fix an appointment before you come to school. Our school will give you necessary information from time to time.
- Collect the report cards personally on the day of the declaration of results. It will not be delivered to the students or through the students. Any discrepancy of marks in the report card should be brought to the notice of the Principal.
- Ensure that no teacher is approached when he/she is in the class. In case of any need, prior appointment may be sought through the school diary.
- Parents must attend parent teachers meeting when called upon, to know the progress of their ward.
- In case of any change in your address and contact number, notify the school office and the class teacher.
- Your wards should not carry any expensive articles to school. In case they are lost the school will not be responsible for the loss.
- Mark all the belongings of your wards including the uniform bags, shoes and pullover with details such as name, class and section.
- Students are not permitted to leave the school premises during the school hours unless it is an emergency, for which the Principal's office should be contacted.
- Immorality, grave insubordinate action, contempt of authority or willful damage to property are also reasons for dismissal.
- Inculcate in the minds of your wards, the habit of respecting teachers, school and the school uniform. They must also learn to give due respect and regard to elders at home and outside.
- Parents are not allowed to interfere with the school administration in any way. In case of any problem, they can discuss the same with the Principal.
- Management shall have the power to modify, amend or add rules as the need arises.
- Visitors are not allowed to go in to the classrooms to talk to teachers or students. In case of any problem, they can discuss the same with the principal.
- You can meet the Principal in her office on all working days from 9.30 am to 12.30pm.
- We expect you to scrupulously follow the above points for the bright future of your ward.

Admission

- Admission usually takes place at the beginning of the term in April.
- Admission is granted when a candidate clears the relevant test.
- At the time of admission, it is compulsory to submit the Birth Certificate and Transfer Certificate.
- The Principal reserves the right of admission.
